

POWERING SUSTAINABLE INNOVATION IN ASIA

22-24 October 2012 Sands Expo & Convention Centre, Marina Bay Sands, Singapore

Asia Future Energy Forum (AFEF) and Exhibition is the leading global energy event in the Asian region, brought to you by the organizers of the World Future Energy Summit. AFEF offers a world-class platform, in one of the most dynamic regions in the world, for the promotion of leading-edge sustainable energy governance, business, investment, finance, and technology that enable the smart delivery of clean energy solutions.

EXHIBITION

EXHIBITOR profile

- Biomass / Biofuels / Biogas
- Clean Energy Technologies and Applications
- Consultancy
- Electric Vehicles / Advanced Transportation
- Energy Conservation
- Energy Efficiency Solutions
- Energy Storage Solutions
- Geothermal
- Hybrid Systems
- Hydropower
- Hydro and Fuel Cells
- Measurement and Control Technology
- Nuclear Energy
- Sustainable Energy
- Waste Management, Waste Treatment and Recycling
- Waste-to-Energy
- Wave and Tidal
- Wind

WHY exhibit?

- Tap on Reed's experiences, knowledge and relations with the industry through our established World Future Energy Summit and European Future Energy Forum
- More than just a 3-day event
- Create greater brand awareness in Asia
- Showcase your products and services to the industry in Asia
- Network with the buyers and sellers across the energy supply-chain
- Establish business contacts and partnerships
- Learn and share experiences
- Keep abreast of industry developments
- Be part of the Singapore International Energy Week (SIEW)

• International sellers •
• Asia buyers •

VISITOR profile

- Automotive
- Academics and Researchers
- Building/Construction/Property Developers and Architects
- Consultants
- Government / Policy-makers
- Investors / Bankers / Venture Capitalists
- Legal Advisors
- MEP Engineers
- Power Generation Companies
- R&D Institutions
- Renewable Energy Project Developers / Architects
- Urban Planning Specialists
- Utility and Energy Companies

POWERING SUSTAINABLE INNOVATION IN ASIA

22-24 October 2012 Sands Expo & Convention Centre, Marina Bay Sands, Singapore

- Business Issues •
- Financing & Investment •
- R&D & Innovations •

FORUM

AFEF will stage world-leading authorities and experts from across the energy spectrum that will present the latest advancements in sustainable energy policy, investment, finance, innovation, renewable technologies, energy efficiency, energy storage, security of supply, regulation, international collaboration, development, as well as access to modern energy services.

PARTNERS

SUPPORTING organisations

- Agency for Science, Technology and Research (A*STAR)
- American Council on Renewable Energy
- Asia Development Bank
- Association for Sustainable & Responsible Investment in Asia (ASrIA)
- ASEAN Energy Centre for Energy
- Clean Energy Council
- Council of Power Utilities (CPU)
- Geospatial Information & Technology Association (GITA)
- Global Wind Energy Council
- Independent Power Producers Forum (IPPF)
- Institute of Electrical & Electronics Engineers (IEEE)
- International Energy Agency (IEA)
- International Renewable Energy Agency (IRENA)
- New Energy Industry Association for Asia and the Pacific (NEIAAP)
- Renewable Energy & Energy Efficiency Partnership (REEEP)
- Society of Energy Engineers & Managers
- Sustainable Energy Associations of Singapore
- SustainAsia
- The Institution of Engineers, Singapore (IES)
- United Nations Environment Programme (UNEP)
- Wind Power Association
- World Alliance for Decentralized Energy (WADE)
- ZigBee Alliance

MEDIA partners

(proposed)

- Asian Power
- Bloomberg
- China Power & Energy News
- Energy & Power Industry Update
- Eco-Business
- EcoSeed
- Energy Priorities
- GlobalData
- Green Business Times
- Power Insider Asia
- Power Generation Technology China
- Recharge
- Renewable Energy Focus
- Renewable Energy Technology India
- World of Renewables.com
- Waste and Recycling

POWERING SUSTAINABLE INNOVATION IN ASIA

22-24 October 2012 Sands Expo & Convention Centre, Marina Bay Sands, Singapore

BOOTH PACKAGE

12sqm Shell Scheme entitlements:

- Fascia Board with Company's name
