

## Reusable folding boxes from T-LINK

light, robust, sturdy, space-saving!

### Versatility out of the box

The reusable folding boxes of T-LINK distinguish themselves by their multi-usage possibilities.

The simple, yet durable, clamp system enables an efficient and fast assembly or disassembly of the cases.

For the interim storage, the box can be disassembled and stowed to save space.

- Boxes made of plywood
- Stackable and robust
- High protection for goods of any kind
- Avoiding transport damage
- Re-usable in rotation
- Simple disassembly, space-saving

### The perfect box for:

- Your trade fair participation
- Machine accessories
- As part of your supply chain (E.g. with China or USA)
- Stackable storage units

### Box dimensions:

120 x 80 x 55 cm

120 x 80 x 95 cm

80 x 60 x 55 cm
