Exhibitor Benefits

The World Future Energy Summit is **the largest sustainability gathering in the Middle East**, which addresses the interconnected challenges of sustainable development and clean energy.

Taking an exhibition space will give your company a competitive advantage, as it **brings together the most influential international buyers under one roof**.

- Access to the **online Business Connect platform** to pre-arrange meetings
- **Listing on the World Future Energy Summit website**
Exhibitors' Directory
- The opportunity to post your press releases and product photos on the event website
- E-invitations for you to distribute to your clients to attend the exhibition

Business Connect Platform & Hosted Buyer Program

The Business Connect program is a **tailored networking platform** designed to **bring buyers and sellers together** to do business.

During WFES 2025 and its co-located events, **5'000 meetings were organized** through the online digital platform between exhibitors and **272 registered buyers**, enabling new business opportunities with strong representation of key government ministries and authorities from across the MENA region.

Special events like the **Meet & Greet Switzerland** (picture) were organized.
