# Hydro – Facts and Figures

- 200 Exhibiting Companies
- 1'500 Attendees
- 80 Visitor Countries
- 5841 Show size sqm
- 29 Conference sessions
- Environmental protection
- Small and low water power
- Water infrastructure security
- Potential, planning and financing
- Climate resilience and hydrology
- Environmental and social aspects

# SWISS Pavilion

Present Switzerland as the innovation leader – it actually is!

- Global Innovation Index, Switzerland on first place, 10<sup>th</sup> time, consecutive
- Create awareness, that these innovations are part of our exhibitor's technologies

Present top showcases on the SWISS Pavilion to attract visitors

Show customer oriented solutions, not single products

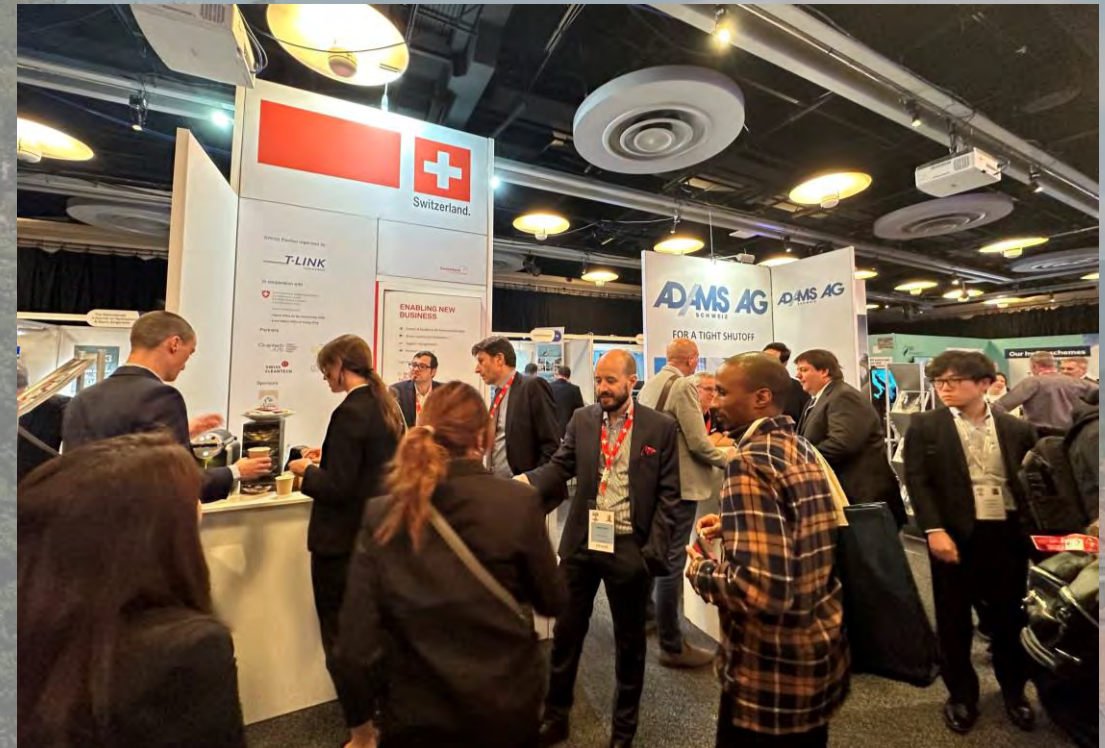

- Buyers are looking for ready to use solutions
- Swiss companies shall be motivated to jointly present a solution among the supply chain

Well organized country pavilion – easy to attend

# SWISS Pavilion – Benefits

- Platform for established companies, start-ups, research institutes and organizations
- Prominent networking and market place
- Strong visibility and location / Swissness
- Your first steps into new markets / market test
- Popular side events: SWISS Evening, Pitching Sessions on “stage”, etc.
- High-level delegation visits
- SWISS Pavilion – achieve more together!
